January 15, 2008

Dear Aircraft Operator,

The Division of Forestry is currently updating its list of available aircraft in expectation of this year's wildland fire season. General information regarding this process is available at:

<http://www.dnr.state.ak.us/forestry/aviation/rental.htm>

The conditions which govern this Emergency Aircraft Rental Offer Procurement are contained within the "Aircraft Rental Conditions 10-3134", a copy of which is available at <http://www.dnr.state.ak.us/forestry/pdfs/aircraftcoh.pdf>.

If you wish to submit an offer for aircraft services, please fill out, sign and mail the "Aircraft Rental Form 10-3135" (available at <http://www.dnr.state.ak.us/forestry/pdfs/aircraftoffer103135.pdf> or the attached Word document) prior to March 15th to:

State of Alaska
Division of Forestry
3700 Airport Way
Fairbanks, AK 99709
ATTN: Bob McAlpin

Or you can e-mail or fax the form with your signature to: bob.mcalpin@alaska.gov or fax to 907-451-2690.

As specified in the rental offer, no specific obligation is assumed until the offeror is contacted. The submission of a completed form voids previous offers.

Flight crew and aircraft must possess the appropriate carding with USDI (AMD) or USDA (Forest Service) for use by the Division of Forestry.

If you need additional information regarding the Division of Forestry's aircraft rental offer program, contact Bob McAlpin at (907) 451-2691.

Sincerely,

Bob McAlpin

Bob McAlpin
Northern Region Aviation Manager
